Opening December 2020

\*Independent Living Community & Assisted Living on 2nd floor

We are well on our way with no interruptions or delays in our construction progress and still plan to reach our target opening date. In fact, we are planning to open our Memory Care community the end of this summer with temporary accommodations for Assisted Living in the same building until we complete the main complex.

The views are spectacular and the amenities, services, activities, food and beverages will be **AMAZING**, just as you would expect from a world class resort style senior community. The first of its kind in Mexico offering an "Aging in Place" concept for seniors.

Expect Amazing!

## MEMBER OF THE MONTH

### TESTIMONIAL:

We are extremely pleased with our decision to make **La Pueblita** our new forever home. Dan and I (Carol) have been permanent resident in Mexico for about three years were part-time snowbirds for a couple of years before that.

We were married in 2015 after being introduced through children and friends. That's a rather mysterious story which should be saved for later. Anyway we had lots of choice for living locations however, since our children and location of lakes here in Mexico.

When we learned about **La Pueblita** and its amazing concept for a forever home, we were intrigued and thrilled. So, after much thought and discussion, we both knew it was the right decision for our active lifestyle at La Pueblita. Dan, having lived in Colorado for many years and being an avid outdoorsman and hiker, and my having loved city living for so long, like the activities, restaurants and healthy lifestyle options. We are already planning our bicycle excursion and getting to meet new people with similar interests.

Since we have a small rescue dog, Ben, we chose a casita as our living options and we frequently peruse muebles sites to select furniture so we can make it our own retreat. A casita will be convenient for exercising Ben, for access to our bicycles and for auto parking. To summarize.

**We are expecting amazing!**

We are happy to feature **Dan and Carol Ronning**, one of our *Founding Platinum Members* who have decided to make **La Pueblita** their new Forever Home with forever Friends.

Ben
